AUTHORIZATION

I authorize [AGENCY NAME] and its designated payment processor to initiate charges or debits for amounts properly due under my Client Service Agreement and the billing schedule I selected. I understand that payment credentials should be entered directly into the agency's secure processor or portal and should not be written in full on this form. Any retry, late-fee, cancellation, refund, or revocation terms must match the signed Client Service Agreement and applicable law. I may revoke this authorization according to the written terms provided by the agency, subject to amounts already due.
