AUTHORIZATION & ACKNOWLEDGMENT			
I authorize [AGENCY NAME] to share the emergency information on this form with emergency medical personnel or treating providers when reasonably necessary for my care. I understand that agency staff may call 911 or other emergency services when they reasonably believe urgent assistance is needed, whether or not this form has been signed. This form does not authorize non-medical staff to provide medical treatment outside their role. ☐ Advance directive / DNR documentation has been provided separately, if applicable
